**Subject: Melbourne City Link Contract MCL 6509 - Yarra Crossing Toe Restraint Piles**

---

**MESSAGE:**

Gerry,

Just a short note of thanks to express my appreciation for the efforts of you and your team on the successful completion of your contract.

In a pretty difficult environment, your section of the works were completed within our budgetary and time constraints, in a highly professional and competent manner and without any technical hitches. In an industry where contractual disputes are difficult to avoid, it was pleasing that a contract of this nature could be finalised without any arguments from either party.

Please pass on my thanks to your crew, including Robin, Murray, Ravi, Steve and the boys. Should you require a reference for future clients, I would be more than happy to put in a good word for you.

Yours faithfully,
